

Basic Requirement for Company Incorporation in Hong Kong

Date: 1 April 2020

Basic Requirement for company incorporation

- At least ONE shareholder (sole shareholder) either natural person or corporation of any nationality or any jurisdiction.
- At least ONE director (sole director) of any nationality. If the sole director is a corporation, an additional natural person be appointed as the second director.
- At least ONE company secretary either a local resident or local Hong Kong Company
- At least ONE designated representative for keeping the Significant Controllers Registers (SCR)
The designated representative can be a shareholder or director (both residing in Hong Kong) of the company or licensed company secretary
- The registered office must be a physical address in Hong Kong (P.O. Box is not valid as an address for registered office)
- Holding a valid Certificate of Incorporation
- Holding a valid Business Registration Certificate
- Registered Capital—no minimum requirement, say HK\$1.00. We suggest HK\$10,000 divided into 10,000 nos. of share
